I heard accountants make loads of ncome. Good for you. I w ll support you all the way
You should get a job soon How long are you go ng to be unemployed?

After graduat ng from h gh school, Suk Ha had been unemployed all long
And Bong Bn entered un versity and took a course for be ng accountant
(Note Athuor s pure mag nat on)

I don't known why I am doing this, either.
But I couldn't leave you alone
I just have to do whatever I can to help you out when you are in a trouble
A i e
Your eun n kicked you out of the house r ght? What d d you do th s t me
I d d noth ng wrong!
And do not call her eun n
*Eun-ni: Only female may call older female "Eun-ni"

You were r ght on that I d dn't want to be alone Well everyday s pretty much the same anyway
I told you t sn't easy to l ve all alone
Yeong Gu the damned freak You came here to escape from the dude and confronted the dude r ght on face n Seoul ? What a bad luck
I am all r ght

When I was reminding myself old memories, I felt sorrow. But, ...
When I actually faced him
.....
It was just... stuffy.

I felt as f I had met an old fr end
He s a person I can not take my eyes off
I was rel eved when Bong Bn told me with a peaceful face
It was really strange that I had to do everyth ng I could when anyth ng was related to Bong Bn

When I saw how Yeong was living, I felt that I was pitiful.
Say it correctly. His name is not Yeong Gu. And we are trying as hard as we can
That made me think... I thought I should make a decision
Aha - I've got you, stop !~
EH !! When..

By the way what dec s on ? Are you go ng to confess your real name ?
It s not that !
I th nk I am go ng to tell my feel ng to Uoo J n
Uoo J n
You don't have to be so blunt
The dumb dude who knows noth ng other than game? that stalker ?
I really want to f nd my love
Love that makes me feel warn whenever I th nk about It
I don't want to be alone and feel lonely

JS
...Do you even like him ? From what I see, I don't think you have a thing for him.
If you need just a lover on surface, I am here for ya. I dedicate my effort on you, isn't that good enough?
You don't see me as a man Besides we are not in such a relation ship
What do I have to do to be in such a relationship ? Holding your hands and kissing you ?

JS
So you want skinship ?
If it s you I surely can do that
Then let s do it r ght now
Eh ?
"No don't Suk Ha"
That s what you should have sa d. Why are you suddenly be ng strong ?
Do you th nk I would keep be ng fooled ?

Shit you used to be pure
But I see people do change
Oh yeah I have someth ng to g ve you I wanted to g ve it to you sooner but th ngs happened
Here ~
A rabbit saving box !!
I know your prec ous Boram (Suk s prev ous sav ng box) was destroyed by your s ster
So..I've got a new one for you
JS

I know it won't replace the one you lost but it does have some coins I had put into
What are you going to name it ?
Uoo Ram
Uoo Ram, I will take care of you much better than Boram
I wonder why Suk Ha likes saving box so much
Bong Pal
Whoa !
Thanks, thank you !!
You are the only friend I love in this world !

Don't don't do th s Suk Ha
D din't you tell me to do it ? I am do ng as you hoped Jyan sk nsh p!

What is that bag for ? Are you go ng somewhere?
So she s go ng to sleep here?
Yeah she does it often
Ah it is Suk Ha s Her older s ster s very v olent and rough They fought and her s ster k cked her out of house
Do you th nk you are mak ng a sense ?
JS

I understand you and her are very close fr ends But there s a l ne you should keep After all you two are a man and a woman
I have been th nking lately I felt It was dangerous when Suk Ha rushed nto my house and ended up sleep ng n my place I have no dea what k nd of guts would allow her to do that
If she cannot realize how dangerous it is People around her should make it so that it does not happen again Don't leave her to act like this It's not good for her future.

Is it... an advice as a friend ? Are you worried about her ?
Well
I am gettng p ssed about it So I don't th nk it s an adv ce as a mere fr end But I am not really a fr end of hers either
Let s say it s from jealousy for now

JS
Ah ~~ I feel alive again
When are you going to act like a girl ?
Eheh ? What are you saying a girl can't go to a barhtoom ?
LUCKY HOT
I heard your sister kicked you out Is that why you are camping in this place ?
I wasn't kicked I only left because she was so ridculous !

Is your s ster fearsome ?
Ach ! The only th ng the woman knows s v olent She acts as f th s s some anc ent era and abuses her power all around
Even so you can't stay outs de l ke th s You w ll go home with me I w ll talk to your s ster
what ?
I will talk to her so that she won't pick on you so much
Are you crazy ? Do you want to d e ? You don't know the woman ! The bitch ' s not a creature that w ll be conv nced by talking !

Even so, you can't go on like this everyday.
Yeah, but.....
Let's go
Where's your assurance coming from ?

I don't want to be hit
She hits me with a scoop
I will take the hits for you if she's going to hit you
Well I have math homework to do
See ? You better go home
Ok but you really have to be my meat shield
Yeah
끼익-
Bin, I will be going. Good night See ya tomorrow at school
JS

Yeah ...

LUCKY H.O.T.

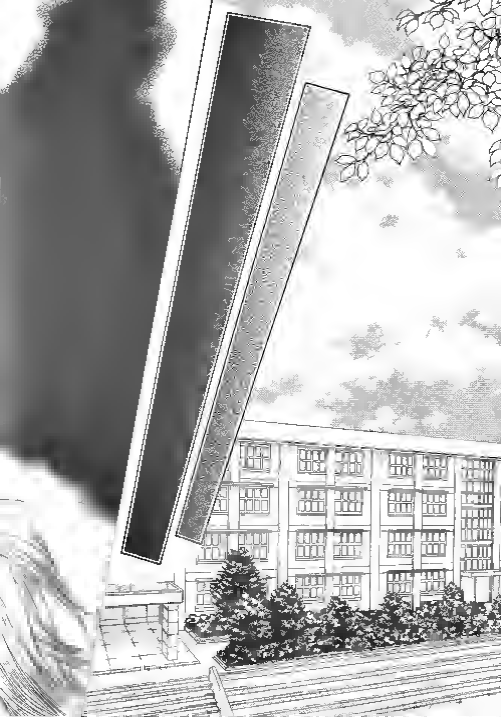
.. Somehow,
I feel pissed off.



JS
Did it go all right yesterday ?
Huh ? what ?
Copying Bin's homework

Did Suk In eun-ni get mad at you? You went home with J Sub
Ah that ? Noth ng happened
Phew ~ it's done !!
Really ? Are you say ng Suk In eun n listened to J Sub ?

At first, she ran to me as if she was going to eat me.
She was coming after me with a scoop. So, I hid behind Ji Sub.
She then yelled more because I involved a guy.
... I am a guy , too ... Nothing has happened when I was at your home.
The woman does not see you as a guy.
Are you say ng she sees me as a grl ?
Not ke that I am just say ng, that s how she feels.
Anyway I qu ckly approached her and wh spered
S s, that dude s the son of pres dent of YongS m company
You know the company that sells noodles, snacks and such. You buy those everyday. The dude s famly s n top 10 m llona re st

Even my sis cannot

a millionaire's son.
It's something that
can't be repelled.
She was treating
Ji Sub so nicely
last night.
It was so obvious
and ridculous

So stup d

Are you say ng that to me ?
Everyone s so stup d

Do you feel uncomfortable when I am here ?
If you want to be alone I w ll leave qu etly
If you want, I am here to l sten That s f you th nk I am good enough for that

JS
Have you realy liked a friend ?
What kind of question s that ?
How can you call someone a friend if you don't like the person ? For an example, I come to your place because I consider you good
What
Are you talking about a close friend? .... If you begin to like more of the friend, I guess it will begin to bother you.
.... What if I begin to like the friend more than just a friend ?

How about

Is that how

How can it not be love but a friendship if the relationship would make you to sacrifice ?
How could it only end up as a fr endsh p rather than love if the posit ve feel ng s stocked more and more ?

Is it because they are men ?

Don't underestimate friendship !!
Friendship is as precious as love !!

...What? Why are you suddenly asking that ?

He said he found the feeling of love among his friends blah blah ....

So what did you tell him? Did he say who he liked ?
I don't know it had nothing to do with me I had no right to say anything it's something he has to solve
Could it be that he confessed to him and found out there was no possibility and he got sick over that ?

...Suk Ha ?
Yeah !!
I was so worried that I came to your place. Are you not home? Where are you ?
I am at a hospital.
What ?! A hospital ?!
Are you really sick ?!
Where ?!
Which hospital ?
I am at a general hospital over the intersection. Don't worry about it. I am here ... for some diagnose.
... Are you really ok?
... Are you sick because of Uoo Jin ?
... You were going to propose to him yesterday right? But you didn't right ?
Uoo Jn? What are you say ng ?

Um, I am sorry to ask you all these quesitons
You know stalking you is my hobby
But Uoo Jin told me about you
Don't worry about it You told me that I have no true feeling for him Even I could see that
You are right You know how I play lightly
But I felt bitter for myself
I have no sincerity and only play around ....
And I fear that everyone around me would leave me oneday Haha well I am just saying that
Ah I have got to go now A nurse is here
A nurse?

Ahah really
no matter how I
th nk it s better
to be born as a grl
I am go ng now
I w ll call you later
Mr Bong Bn Park
it s t me for you to
go to the operat ng
room
Ah yes

JS
Operat ng room?
What operating room?
I heard it clearly
right before
he cut the s gnal
I felt bitter
for myself...
Ahah, really...
no matter how I think,
it's better to be born
as a girl.
I fear that people
around me would
leave someday...
What the hell
is Bong Bin
thinking?!
A surgery
all the sudden...
can't be... could
it be...

Don't tell me he is going to be a trans-gender ?!!
That dude, I always thought the way he thinks was dangerous. I kept my eyes on him for that.. and finally he has done it .. !!
No, I cannot let that happen !!

Cute boy ~
Relax.
It's not as painful
as you think.

Is...it ?
It's not

I am so so

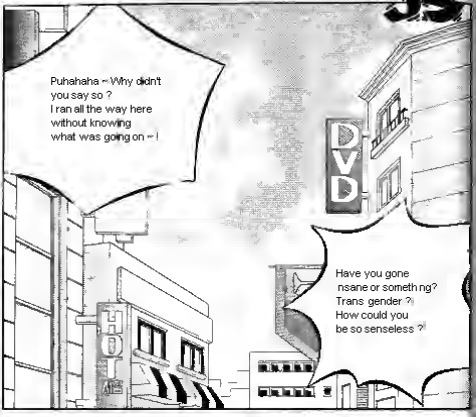
Don't go in there!
헉 헉
헉 헉 헉 헉 헉 헉 헉 헉
Is it over already ?! Is Bong Bin going to be a girl now ?!
What are you talking about? It's only a whale
JS

We used anesthetizing cream on the area and did give him an anaesthetizing shot. It shouldn't have been painful but he was exaggerating the pain and got tired. He is asleep now.
Don't worry, we've caught the whale successfully.

Ha

** On this page what "Catching a whale" means is "An operation of phimosis"



Puhahaha ~ Why didn't you say so ?
I ran all the way here without knowing what was going on ~ !
DVD
Have you gone nsane or someth ng? Trans gender ?! How could you be so senseless ?!

It was you that spread the nuance. Talking so seriously and suddenly it's better to be born a girl! blah blah.
And I overheard you were going to an operating room. I think I was quite reasonable for my actions.
That.. was I was afraid ... when I actually had to go . Girls don't get to do the surgery. So, I had become jealousy for a short time, that was all !!

Are you stupid ? Girls have period ! It's a lot worse than yours .
...Ah . Yeah ....
Why did you decide to do it all the sudden ? Did you really want to do it ?
No comment!!
I am gonna spread the news

JS
Why are you butting in everything I do ?!

It's not itching anymore !!
I am healthy as a horse !!
JS

Sure sure be healthy yea I've got a present for you
a present ?
I thought you were fooling around the millionaire
Here it s
Took me a long time to get this
a present that s rare of you

(Kyaaaack)
It may get some people confused.
In Korean and Japanese culture (or for every human civilization), female is supposed to emit "Kkyaaack" when screaming.
And male is supposed to emit "Uhwaaaack " Or "Kkuaaack".
Of course, Bong Bin chose female's emitting on this page
You are a guy | What s wth Kkyaaack ? Try Uhwaaa or Kkuaaa

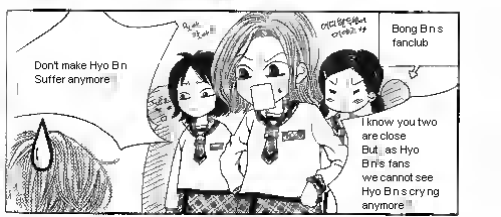
That was so mean !! She knows how much I dislike insects !!
That s why I d d it.
even cried. So, came here to wash his face.
You will not get away with th s !!
I guess you did really freaked out. I feel sorry for you.
I could hear your screaming in my classroom.
I think everyone heard it.

Why are you sorry ?
The grasshopper I caught it
What ? Why did you do that ? Another person exists that can hold such a disgusting thing
She was trying so hard to get one. I figured I'd help her. I used to catch those in a private garden at home when I was a kid
By the way are you two childhood friends ?
we are not Suk Ha has been living in Seoul all this time I am from Busan
Suk Ha seems to know very welll about you seeing how she dared to do such a play on you
I came here and started living alone after graduating from middle school. I stayed at Suk Ha's for a little bit.

How d d you two get to know each other ?
Chatt ng she was a chatting fr end s nce the f rst grade n m ddle school
We chatted at least 3 or 4 hours everyday So, we know each other very well
I th nk it was fall when I was on the f nal grade n my m ddle school
Suk Ha came to Busan w th a tra n t cket for me to go to Seoul
t was our f rst t me see ng each other s real appearance but Suk Ha knew who I was at her f rst glance
M ddle school s cons sted of 3 grades Then you go to h gh school

JS
... I don't understand this ....
So, let me ask you this. What is your relationship with her ? You two are just too close to be mere friends.
What ?
For me I can't understand I don't beleve n a mere fr endsh p between a man and a woman Even f it does ex st you two are just too close to each other it s hard to beleve you two are just fr ends
Unless you love each other
Have you thought about your feel ngs deeply ?

JS
What ?



Bong Bin s fanclub
Don't make Hyo Bin Suffer anymore
I know you two are close But as Hyo Bin's fans we cannot see Hyo Bin s cry ng anymore

It's the fact
Wasn't he so

Why are they picking on me instead?
Huh?
JS

Unless you love each other. Have you thought of feeling deeply ?
You must like him right? It's the only answer we can come up with
No ! We are not in such a relationship !

Suk Ha,
Bong Bin
I am sorry I shouldn't have done such a mean play on you, know ng you d sike nsects so much
what are you say ng I should blame myself for not be ng able to bear it as a guy
Haha where are you go ng ?
Ah to cafeter a

Um .., I won't do that kind of play anymore.
Yes, we are friends. No matter what you say, we are a very close friends who care each other so much.
No, it's ok. I guess it can be a vitamin in life. But how about a butterfly or a ladybug rather than a grasshopper?
a play anymore
We are fr ends!

JS

At least ch p

they look

and dressed
fke a couple

What s go ng on really ?
Why did you go to J Sub's apartment?

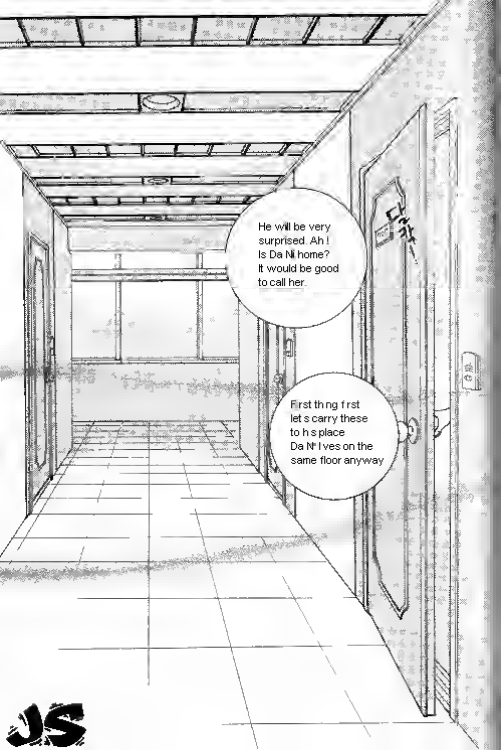
What's with that slow speed ? You are a man ! Do it faster !
If you dec ded to help out stop compla n ng and do it Be a man !
... So, why do I have to do this ?
So when d d I say I would help ?
The moment you agreed to go shopp ng with me it was all dec ded

Why don't you do it n Hyo Bin s place then ?
Because it s supposed to be a surpr se party
Why do you care for h m so much ?
What ?
The only thing in your head is him. All you think about is him.
You are always so nervous that anything might happen to him. When something did happen to him, you are the very first one that raises voice. You care for him so much . .
You two are really strange. Not even a married couple would not be that caring for each other.

W..what's going on with everybody lately? Bin and I are friends, friends ! Friends that care for each other ! You can't understand because you haven't had one !
Friends, friends you two both speak like a parrot
Parrot ?! Are you saying I am bird-head ?!
Kind of you both are so dull..
Well maybe it s me who s dull
Sure, I will help you. I will make sure it is done
G ve me on ons and potatos I will sk n them

At J Sub s door
What s go ng on It s been over 3 hours What are they do ng n there
Did you really forget about my b rthday ?
JS

Finally, special birthday party food completed !!
Looks good, looks good huh?
Well we know how it tastes We've been eating them while we were cooking
and yes it was very good You are a very good cook
All we have to do is bring these over to Bong Bin's place ! Get the cake over here !
...Is he even home? What if he is not ?
Ahah, he should be waking up by now He becomes lazy on Sunday and wakes up at 3 or 4 o'clock
He may not even know today is his birthday.



He will be very surprised. Ah ! Is Da Nl home? It would be good to call her.
First th ng f rst let s carry these to h s place Da N l ves on the same floor anyway

Warm gentle w nd
Good weather
I have a feel ng that

Well .. not really
What ? You just called me here wlthout any plan ?
We are just gonna wonder around on the streets ?
Let .. me think of something ..
Today's plan was ....

Originally BongBin's today plan
Are you making a plan or a plot? Why are you so despressed?
eh ?
How about going to a gaming center ?
You practiced a lot lately.
Let's see how good you are now.

Ohhhh... yeah! Let's see the end of it!!
he gets energized so easily when talking about games
But I really wanted to spend time with you.
Without you, it feels... just ...so awkward.
Which gaming center do you want to go ?
Whichever you want to go
Maybe I am too used to .....

JS

Eh ?
Is he still sleep ng ?
No way
He has nowhere else to go
He must be sleep ng st ll
You sound so conf dent
I have a key
Let s go n
You have even a spare key ?
There s no one else to help h m f he gets nto a trouble
And I don't need the key most of t mes
When he s not home I usually wait at the door unt l he comes
I told you so
You should have called h m
Maybe he s not really home

Then why use it now? Why not wait unt l he opens the door ?
The food s gonna get cold Th s s a spec al case
Anyway t s almost 4 o clock and he s st l sleep ng ?
Eh ?
He s not here ? Where the hell d d the dude go to ?
I told you so You should have l stened to me
END

1 hour shopp ng
3 hours cook ng
all for noth ng
You must feel
bad
I've
got it !
Toothpaste and
t ssues are out
he must have
gone out to buy
them
when
d d you
Good tm ng
then
Put the cake on
the table and let s
move the food
Let s do some
b rthday party
decorat ng also
Come on
What ?
where s
your self center

from?

You th nk the way you l ke You make conclus ons the way you want You become pers stence for noth ng
You butt n pretty much every ssues and gnore others adv ces

G ve it to me I w ll do it
Uh th s ?
Hm n another word I have a charm you cannot refuse ?
Oh yeah ! You sure can see people r ght I do have certa n charm !
I was say ng I hated the charm

JS

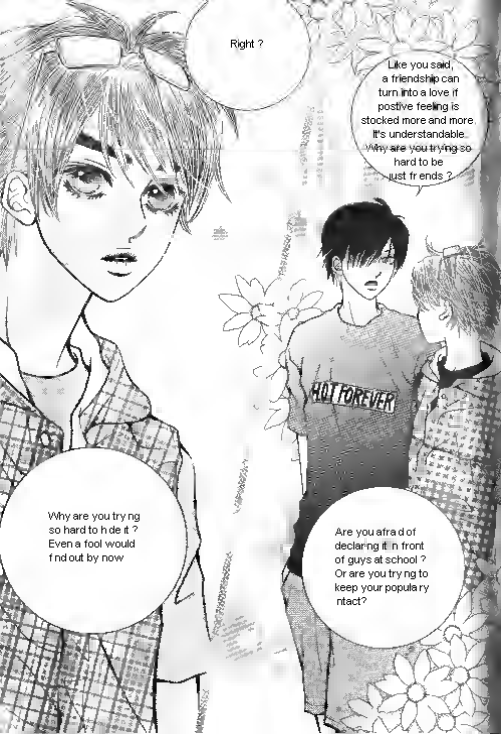
So there goes my birthday
EH ?! Today s your birthday ?

I have no money on me I spent all on the game
Don't worry I wasn't asking you to buy me a present

If it was your birthday shouldn't you have spent your time with someone you like?
Spending time for gaming with me that s bad
I like you So I spent my day with someone I like

Not that kind of "like". The one you love ! You told me about that
What are you talk ng about ? When ?
Do you th nk I am a fool ? I have eyes I have ears I can sense the least
A fr end at f rst then you l ked more and more A fr endsh p that turned nto someth ng more!!
I d dn't mean anyth ng l ke that!! I was just
It's Suk Ha Jung.



Right ?
Like you said, a friendship can turn into a love if postive feeling is stocked more and more. It's understandable. Why are you trying so hard to be just frends ?
HOT FOREVER
Why are you try ng so hard to h de t ? Even a fool would f nd out by now
Are you afra d of declaring it in front of guys at school ? Or are you try ng to keep your popula ry ntact?

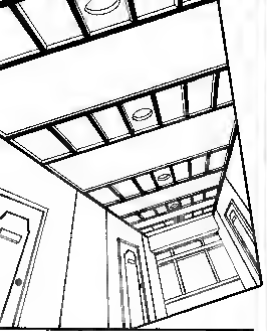
Does it look like that? Does it look like I am in love with Suk Ha ?
It doesn't look like that It is it's so obvious.
The only thing I have become good at after following Da N for 2 years is a sense of wit.
What if you are wrong ? What if we are really just friends and we look like that because we have too warm friendship?
If you do say like that, it means you are either lying or haven't realized what you are feeling.
No matter how I look at it, it's so obvious
JS
U.O.FOREVER

JS
Hey, you
Ok, that's enough
I am going home See you
If you had a fight make out already It was so miserable of you spending your birthday like this
Geez, you two are not a couple. You two are married ! it's better to put it that way.

철컥
I haven't thought about it that way
Suk Ha and I are just ...
Just ....

HaPPyBiR

The memo says "Happy birthday you dot ^^
The memo says "Eat until your stomach bursts."
.....
Suk Ha Jung.
.....



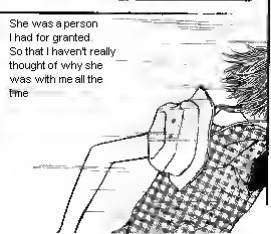
But

Who s the f rst person you th nk of when you wake up?

Who do I contact f rst when good th ngs happen?
Whose shoulder do I rely on when bad th ngs happen ?

When eat ng del c ous food
when I spot cute stuff
when it s good weather outs de
when I feel sad because of ran
who do I th nk ?

She was a person
I had for granted
So that I haven't really
thought of why she
was with me all the
time



I cannot
think of
anyone else

Argh,
this is irritating
I heard there would be still city bus until 12 half
Why isn't it coming ?
I don't want to walk home
Uh ...!
Isn't that Hyo Bin ?
Wasn't he going home ?
Where is he going?
He is going to opposite direction ?

Has he gone nuts ?
It s red l ght !
It s not l ke the road s narrow l ke the ones n ne ghborhood

Bn How is he ?
Where s he? Is he all right?
Uh ? ahah yeah

Go to the emergency room. He is there. Calm down ....
Suk Ha ! How did you
.....

Haha, I've got you ~
You came here with pale face. It doesn't look so, but his wound is quite series. He had to sew his skin, 6 stitches
I hurt my leg a bit as well.
Hey, just what did you tell her ? Why did you even contact her ...
Hey, are you getting angry at me? I threw my life and saved you !
Who saved whom ?! The car stopped and didn't even hit me ! It was you who pushed me and made me fall !
콰직

Suk Ha I am sorry Actually it was
you
You ! Where have you been all day and got into a car acc dent I was worr ed about you for the whole day

Suk Ha ...
This is my first time seeing Suk Ha cry ...
I was going to you. I wanted to be congratulated before it was too late
And this s my frst time for me to hug her

JS
This s only my op n on but more cute and warm g rl would suit you better
What do you see from the ill-natured girl ?
Hey, are you listening to me ?
It was not l ke I real zed
It was l ke I just had to accept

I already knew I just had to accept.
It means I have been ignoring it for the whole time.
. But why ?

What brought you here?

I just wanted to see you
Ha
I d dn't know you could say such a d sgust ng sentence

You don't look so well. You haven't slept well, I can see..
Yeah ?

The reason is simple.

I was not confident that if I could get along well with her or not.
It would be strange if you did.
It's not like I had white jade-like skin.
I know
I look girly.
I am not tall.
My personality is weak and soft.
I often cry for small things.
There is no part of me that a girl could rely on.
about myself well.
Here is anothe with pale face.
It's my seat. Please move!

why s
he cold?
I am not good
at anyth ng
I lack too much
as a man
I was not the kind
of guy that would get
along well with grls
n the f rst place
There were times
I ser ously thought
of be ng born as a grl
I tr ed not to like
grls
Infer orty as
a man
Do you
want to
talk to me?

I had never really been shamed of what I was like
Until I met you
As a fr end there s no problem
But as a man hers I am just too shabby
I haven't accepted my m nd
hey are you hav ng some kind of s de effect?
My mind that wants to be your prince.....

Hey what s go ng on
with you ?
You don't try to look
nto my eyes and you
evade me And you
are go ng home
alone ? Are you
p ssed at me?
I am n a bad
condit on that s
all
But even f I now know
my m nd it does not
matter
In a bad
condit on?
Are you hav ng
a per od ?
That s rude
what?
You know guys
don't have per od
Are you say ng
th s because
I am g rly?
Hey..I was
just k dd ng
If the other
does not
l ke it it s
a mere
curs ng
I am
go ng
Hey
what s
wrong
with
you ?

You probably
won't see me as a man until you de
It s understandable because I am beg nn ng to have years
Ah I am really hopeless

I know you are in there ! Open up !!
Why are you doing this ?!
Shut up
Be quiet ! there are other people living here
sorry
Shit why do I have to take this crap ?
Did you two fight or something ?

I see you often these days Is it ntent onal?
Well I get a feel ng when you are near
He s not open ng yet ? Looks l ke he s pissed a b g time
a feel ng? what k nd of ?
Who knows ? I just follow where my foot go
I was k dd ng I came here to del ver th s food Mother always sends th s to her
I came here to g ve th s to her
Why doesn't she g ve it to her d rectly ?
They are not fam l ar with each other yet I am act ng as a commun cator
Commun cator
I w sh I had one n a situat on l ke th s

From what I see you need to commun cate with yourself
You make th ngs so compl cated Fix that !
Ah yes yes
f he doesn't open why not use the spare key ?
The owner of the place s ns de it would be very rude
you even cared such a th ng?
But wouldn't it be better to use the key rather than mak ng a no se here?
Why do you ns st
You have a key and still not go ng n
it may be troublesome but you won't do what he wouldn't l ke
Aha
What ? what s with that d sgust ng gr n ?
You don't want to be d sl ked

Hm you are quite tmd unexpectedly
Don't analyze everyth ng by little clues you obta ned
I know someth ng is go ng on He must have a reason for th s
I am so cur ous but I have to wait unt I he opens the door and talk to me
APPLE
Really ... you have only one thing in your head and still refuses to accept ? How stubborn...
Who are you called stubbon ?!
Cough, poorness and love cannot be disguised.
Well, in your case, it's like closing your eyes and pretend to be blind.
I can help you this once.
what ..?
But in exchang I want you to be honest to yourself.

JS
Th s s the key to my place Go there and wait for me
Why do I have to go to your place?
D dn't you want to talk to Hyo B n r ght now ?
are you say ng you can call BIn?
most l kely
do you have some snack at you place?
Look n the freezer

I cannot see her face yet, My feeling for her will surface
... Would Suk Ha find out my feeling about her?
Suk Ha ? She hasn't gone yet?
Hey - It's me, Ji Sub. I suppose you are in there ?
J Sub ? Why did he
You don't have to open. Just listen. I will make it as simple as possible.

Well, you probably have sensed.
I like Suk Ha Jung.
I have been only observ ng But it w ll not be the same today
Suk Ha is at my place
I w ll go there soon as well
I w ll make sure today
I w ll make Suk Ha my woman today

JS
Then so long Suk Ha s wait ng for me
I am lett ng you know s nce you are her best fr end So, w sh me luck
What the hell is he talking about? Suk Ha ... whoa ?
You shall be m ne today
N no

But ... what if Suk Ha also likes Ji Sub...
Wouldn't I be interfering ?
Now I recall... Suk Ha was with Ji Sub often ...
Suk Ha isn't really interested in guys... Is Ji Sub an exception?
Suk Ha has a man bes des me ?

JS
What did you do with my bandana ?
You w ll see the result soon So just wait
Result ? what result ?
When he comes here, you have to be honest also I threw a bomb there
MINJI

You keep
say ng be
honest But
how much more
could get honest ?
I am always
honest
I told you before
that I am addicted
to you
It meant I like you.
But see ng you
how your heart s
on somebody else
I realized I had
no chance
Your whole m nd
s somewhere else
It would make
a good laugh that
f you still keep
call ng the person
a fr end
Oh
You l ke
me ?
Not
ser ously

Anyway there will be a limit for calling each other a friend
Besides it only gets stronger if you try to hide such an emotion
Suk Ha's...
Here he's
Suk Ha !!
쾅쾅쾅

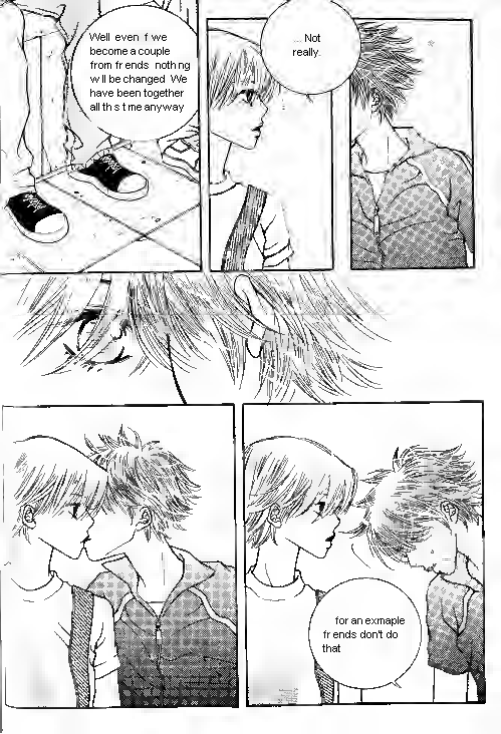
He'a really here ?!
Suk Ha
You are n there right ? Suk Ha
If you are not go ng to be honest, don't open
What do you want me to do ?
Stop tell me what to do
Don't be a coward and be stra ght forward
C coward ?
Do you know what my n ck name was n m ddle school?
I was called reckless Suk Ha except to my s s
Then go ahead and do it
Yeah
I w ll tell h m
I w ll do what you want geez
What a com cal couple
it looks ke observ ng them itself may be nteresting enough

Suk Ha !!
Suk Ha Jung !!
Stop smash ng the damned door You are gonna break it
If you have thought about it honestly and gradually..
The answer was r ght there all along
Suk Ha
What is it? You look pale. Did something happen ?

that they loved each other.
What are you doing here ? Don't know you how dangerous it is to be in a guy's place ?!
hey, it's all because you did not open the door ! I was hungry and people were yelling at me. I had to come here !
Ah noth ng happened?
Lots happened Past few days you ve been gnor ng me and it s hurt ng me a lot
no, that s not what I am say ng
Guys you guys are so no sy Go somewhere else to talk
And please please def ne your real relat onsh p and don't make people confuse anymore
here your bag

JS
...
...
...isn't it strange ?
People keep saying the same thing. Not few, but everyone.
what?
They say that I love you
I keep telling them we are friends, but they wouldn't believe me
E eh Really ? It's the same for me. people wouldn't believe me

it s really
funny snt it?
yeah
Bong Bin
Everyone wants
it Why don't we do
what they want ?
Suk Ha



Well even f we become a couple from fr ends noth ng w ll be changed We have been together all th s t me anyway
... Not really.
for an exmaple fr ends don't do that

Haha
A desperate laugh to h de her very f rst embarrassment
우하하하하하~
아하하하하하
Suk Suk ha what s wrong ?

Ok, lets do it.
Let's be a couple.
It w ll be fun

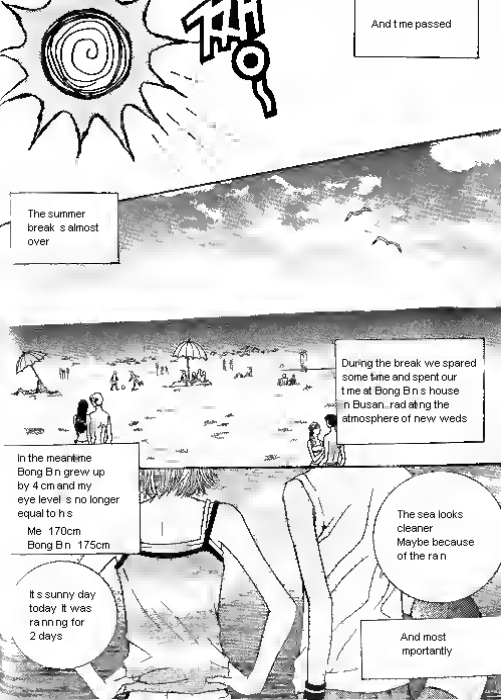
That day, we named our car ng and thoughtful m nd toward each other "Love"



And t me passed
The summer break s almost over
During the break we spared some tme and spent our t me at Bong Bn s house in Busan, rad ating the atmosphere of new weds
In the meantme Bong Bn grew up by 4 cm and my eye level s no longer equal to h s
Me 170cm
Bong Bn 175cm
The sea looks cleaner Maybe because of the ra n
It s sunny day today It was ra nn ng for 2 days
And most mportantly

Bong Bin has been getting handsomer and handsomer (Maybe only to my eyes ^_^)
How about swimming to the island over there ?
Hey, we've been swimming for a whole month. Haven't you gotten sick of it already ? And a tube? You are a seaman for God's sake.
And one more thing well it's a complaint actually

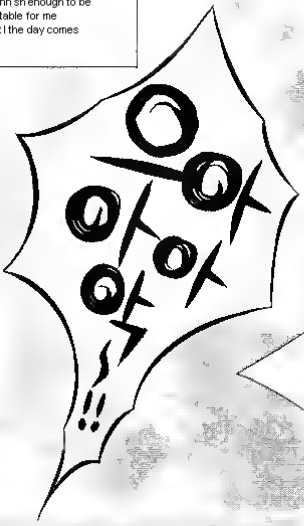
Come on
Let s go
The wave s
quiet too
I am
afra d
to go
alone
Aw..
geez
Only f I could fix
h s cowardly
m nd

Who could fix
that besides
me ?
I believe
you need
a special
training to
train your
guts.
People
advance
over pain and
trial

Bong Bin !
I bought something
for you on the
way here.
It's a present.
Eh....

Wow!
For real ?
It s a r ng case!
A couple r ng
perhaps ?

Unt l Bong Bn becomes
mann sh enough to be
suitable for me
Unt l the day comes



Ohoh !
it s now "Uhwack"
A good mprovement
from "Kkyaack"

Let s keep on
try ng!

My wh p of love w ll
keep hitting on you
